

## ICI Announces Mohlenkamp To Lead Asia Operations

### US Treasury executive will enhance focus on Asia at ICI Global

**Washington, DC; July 27, 2022**—The Investment Company Institute (ICI) announced today that Matthew Mohlenkamp will join ICI Global as Managing Director, Asia and Global Analytics. ICI Global represents the worldwide regulated investment fund industry and the interests of long-term investors.

“Matt is an ideal leader to extend ICI Global’s engagement in the Asia-Pacific region. With his impressive career at Treasury, including as the financial attaché in Singapore, Matt will bring deep relationships and policy substance to the role at ICI Global. I have worked closely with Matt in the past, and I know he will be of great value to our ICI members and meeting their needs in the region,” said Michael Pedroni, Chief of ICI Global.

“I’m excited to join ICI Global and to represent the regulated funds industry. I welcome this opportunity to continue my engagement with Asia and to use research and data to analyze the changing market for retail funds around the world,” said Mohlenkamp. “The growth of a vibrant middle class across Asia as well as other regions makes ICI Global’s mission of serving long-term investors all the more important.”

Mohlenkamp has extensive experience in international economic, regulatory, and financial policy and analysis, developed through a variety of roles at the U.S. Treasury Department spanning nearly 15 years. Most recently, as a member of the Senior Executive Service, he served as Director of Treasury’s Office of South and Southeast Asia, managing the Department’s economic analysis and policy engagements with countries across those regions. He also has served as the Senior Finance Official for the United States in the Asia Pacific Economic Cooperation (APEC) forum.

Prior to this, Mohlenkamp spent four years as the U.S. Financial Attaché for Southeast Asia, based in Singapore. He served as the Treasury Department’s representative to the Association of Southeast Asian Nations (ASEAN). His other senior positions at the Treasury Department included leading the Western Hemisphere office and serving in the offices of East Asia as well as International Debt. He holds a master’s degree in International Relations and International Economics from Johns Hopkins University and a bachelor’s degree from DePaul University.
